"Twice the Fun for Half the Price" \$995.00*

We depart Nassau Saturday for a week of live-a-board diving in the Exumas & SW Eleuthera in the Central Bahamas. There is no set itinerary; we'll go where conditions and weather are the best to offer our divers an adventure of a lifetime! Live-a-boards offer the best variety of easy diving available, dive with sharks at Amberjack Reef, watch eagle rays gracefully glide by the walls, get tumbled around on a high speed drift dive, the Washing Machine or shoot photos of all the great macro and micro shots and the colorful reefs teeming with marine life sitting in depths of 15- 80 feet, night dives and blue holes all in the gin clear water of the Bahamas. Everything is supplied just bring your personal gear and towels. The sailboats carry up to 22 passengers in dormitory style bunks. While there isn't a lot of privacy, the fun and adventure more than makes up for it.
